

# IVFDF 2008 Morris Tours

Visiting sides: please assemble in the Union Foyer at 10:30am and attach yourselves to a native guide who might resemble those pictured above but will make themselves known in a traditional manner.

There will be three different routes which will converge on Barkers Pool for a mass finish.

There are about forty-five pubs serving real ale and a host of places to buy food within a ten minute walk from the Town Hall, which is the only venue from where you can't actually see a pub. The pubs listed are those closest to each venue where the beer is both real and reasonably priced.

## Tour Cathedral OT

Cathedral 11:00 – 11:45

### Sanctuary

Grade 2 listed pub next to the Cathedral, known as the Priory until Gary Coggin and Andy Clarke took over a year ago. Restaurant-quality food in a city-centre bar with an amazingly good value menu, according to the Sheffield Telegraph.

## Tour Town Hall CO

Town Hall 11:00 – 11:45

### The Brown Bear

Samuel Smiths beer – some of the cheapest and tastiest in the City Centre. One of the oldest pubs in the city centre. It is housed in a Grade II listed building that dates from the late 18th century—predating most of the buildings in the surrounding area.

## Tour Orchard Square TC

Orchard Square 11:00 – 11:45

### The Museum

Built on the site of the mortuary of the Sheffield Hospitals, with vaulted ceilings still existing in the beer cellar. It's changed names since it opened as The Museum in 1897: The Orchard, The Brewing Trough and The Hogshead, finally reverting to its original name in February 2005.
