## FRIDAY :

### GloryStrokes and Pete Rees

Possibly the world's only traditional English metalcore dance band, Glory-Strokes bring together some well known names from the UK folk dance scene with a cataclysmic dash through their skeleton-riddled musical closets. Take two melodeons, add double kick drums, detuned guitars, beats, samples and weird keyboard noises and you're left with traditional music as it hasn't been heard before, bridging the barrier from barn dance to mosh pit, with shouts from the deleteriously delirious Pete Rees.

PLUS! Eurodance and chill zone

## SATURDAY:

Concert with:

### John Spiers & Jon Boden

“The finest instrumental duo on the traditional scene, and the contemporary equivalent of Martin Carthy and Dave Swarbrick”

-The Guardian

John Spiers and Jon Boden have been consistently wowing audiences up and down the country for the last 5 years with their unique blend of traditional English folk song with a contemporary twist and hi-octane dance tunes which get everyone dancing. Winners of the Best Duo category at the BBC Radio 2 Folk Awards in both 2004 and 2006, and founders of the Big-Band folk phenomenon that is Bellowhead, Spiers & Boden now find themselves at the forefront of the new folk revival.

### Crucible

“A seriously dynamic live act with conviction that hits you straight between the eyes”

-Jon Boden (Spiers & Boden, Bellowhead)

Crucible are a young four-piece band performing an exciting mix of energetic tunes, robust harmony singing and subtle accompaniment for a unique programme of English traditional material, ably complemented by their own

compositions in the same style. Now enjoying considerable success, they have performed on the main stages of major festivals in the UK and abroad and we are lucky to see them in their home town of Sheffield.

### Contra with Vertical Expression and Andrew Swaine

High-energy contra band Vertical Expression took IVFDF 2007 by storm and we are delighted that they're coming back for more in 2008, ably assisted by the immensely talented caller Andrew Swaine.

### Ceilidh with Glowworms and Nick Walden

For our Saturday night e-ceilidh knees up we're going to take you on a journey through the shiny bright, utterly stompy and effervescent music of the amazing Glowworms, in perfect partnership with the eminent Nick Walden, who will guide you through the dances with his own inimitable flair.

FOLLOWED BY a kicking late night roots event for those who just can't stop dancing!

PLUS! Dance display ceilidh, Scottish ceilidh, Morris tour

## SUNDAY:

### Survivors' ceilidh led by Sheffield CeilidhSoc musicians

## ALL WEEKEND:
