

This year's event will be the record breaking 7th to be held in Sheffield. This year we have once more an unparalleled line up of ceilidhs, concerts and workshops, in traditional Sheffield style - three fabulous days and two glorious nights of dancing, singing and playing, in Sheffield University Students' Union.

Getting There:

Car: (limited parking available): From the North/South/East: take M1 to Junction 33, follow signs to City Centre (A630/A57). At Park Square roundabout follow A61N/A57 Glossop (5th exit) and follow signs to University. From the West: follow the A57 into Sheffield until you reach the Students' Union.

Tram: Take a Blue or Yellow route tram from any City Centre stop (or a Blue route tram from the railway station) to the University of Sheffield tram stop.

Bus: Take the 40 (Fulwood) from the bus station or City Centre to Glossop Road/University stop, or the 52 (Crookes/Hillsborough) from the City Centre to Western Bank.
